

The Salvation Army Congregational Survey

We're keen to make our corps better, so we'd love your feedback. Please will you complete this survey? It's anonymous and should take you 5-7 minutes to complete.

Instructions

Most questions involve circling either an option or a number from 1 to 10. Unless asked otherwise, please select only one option. If none quite fit, choose the closest to your answer.

Should you choose "Other" on any questions, please explain what the "other" is. Similarly, the middle section provides space for your comments. We are particularly interested in comments should you strongly agree or strongly disagree (e.g. scores of 1, 2, 9 or 10).

To make it easy for everyone to complete and to recognise that The Salvation Army has a range of congregations, the word 'church' has been used instead of 'corps'.
