

GOAL 4

Be a **Connected, Streamlined & Mission-Focused Army**

We achieve far more for God when we all work together.

We'll know we are succeeding with this goal when we are:

- ▶ connected ...
 - ▶ all officers, staff and Salvationists are well informed about The Salvation Army's direction
 - ▶ there is a culture of working together
- ▶ streamlined ...
 - ▶ robust decision-making processes are in place that advance, rather than hinder, mission
 - ▶ our headquarters function as servants and champions of mission
- ▶ and mission-focused ...
 - ▶ every centre knows how they help achieve our mission
 - ▶ we review and adapt—doing 'whatever it takes'

Leadership Development: Ongoing focus on leadership development is critical to achieving our mission goals.

We want leaders who are known for their personal integrity and servant hearts—leaders who empower others

ENGAGE ▶ EQUIP ▶ EMPOWER
