Local Leadership Development Programme

Leadership training modules designed for local leaders:

- Overview of leadership
- Leading within The Salvation Army
- Leading Others
- Leading Teams

Corps Rolls

A companion to the Orders & Regulations, summarising the main processes for managing corps rolls, and so better caring for people.

Leadership Conversations

Ideas and conversation starters to improve personal and team leadership. Use one-on-one in coaching or mentoring sessions, to start team meetings, or for personal reflection. You need to order this resource through Salvationist Resources.

Discipleship Guides

Practical handouts for various activities to help grow disciples:

- **One-2-one Discipleship and Spiritual Partners:** guides for how to start discipling relationships, practical tools for your first and subsequent meetings (One-2-one discipleship is where a more mature Christian helps a newer Christian develop, while Spiritual Partners are people of similar spiritual maturity wanting to help each other grow).
- **Outreach accountability:** a simple but very effective approach to increasing the outreach temperature of your corps, adding two simple questions to every meeting.
